2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

"I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

"I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. 2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

2009 Wisconsin American Legion State Convention – Milwaukee – July 23-26

Thanks to the members who attended the Annual State American Legion Convention that took place in Milwaukee, Wisconsin July 23-26, 2009. It was a very good convention with a lot of important business taking place. Your delegates participated in the District caucuses, Convention meetings, Committee meetings, DEC meetings, National Commander welcome, hospitality rooms, and other stuff.

S.A.L Annual Bus Trip to the Milwaukee Brewers/Legion All-Star Game—Sunday, August 16th

The Coon Valley S.A.L. Squadron would like to thank everyone who bought tickets for the annual bus trip to Miller Park to enjoy watching the Brewers and the American Legion All-Star game. Congratulations Ryan Servais! This is the main fundraiser for the Coon Valley SAL and the funds are used to support 8 & under youth baseball in Coon Valley. In the future we wish to expand this to also fund 8 & under youth baseball in Chaseburg since many of our members and support comes from that community.

Membership

Everyone should have received their membership renewal notices in the mail and that begins our yearly quest to obtain 100% membership. Our goal this year is 222 paid memberships and we would love to get there by the end of 2009. Please get your membership renewal sent in as soon as possible. I think Fuzzy said he would make it worth our effort if we get 100% before December 31. PUFL dues will be increasing effective October 1st. Ask us details at the August meeting if you are interested in getting paid up for life. There are changes that have made it more flexible.

Fishin' Crew

The Fishin' Crew always does such a great job sharing their Canadian bounty with Post 116, that I thought I had better share a story I overheard from one of them.

Last year Larry and his buddies were hanging out and planning their upcoming fishing trip. Unfortunately, he had to tell them, and his fellow Legionnaires, that he couldn't go this time because his wife wouldn't let him. After a lot of teasing and name calling, Larry headed home frustrated. The following week when Larry's buddies arrived at the lake to set up camp, they were shocked to see Larry. He was already sitting at the campground with a cold drink, swag rolled out, fishing rod in hand, and a camp fire glowing. "How did you talk your missus into letting you go Larry?" "I didn't have to," Larry replied. "Yesterday, when I left work, I went home and slumped down in my chair with a drink to drown my sorrows because I couldn't go fishing. Then the missus snuck up behind me and covered my eyes and said, 'Surprise!'" "When I peeled her hands back, she was standing there in a beautiful see through negligee and she said, 'Carry me into the bedroom, tie me to the bed and you can do whatever you want!..... So, Here I am!"

All I can say, if someone tells you to grab a swimming caribou by the tail when you are fishing, DO NOT DO IT!

Legion Shirts

The shirts that we ordered through the Legion are in and the cost is \$36.50 (I think!!!). I will know for sure at the meeting. I ordered about 4 extra so if you are interested, first come, first serve.

Flag Disposal Ceremony

Our annual Flag Disposal ceremony that we participate in with the Chaseburg Legion will take place on September 11th. Let's have a great turnout. Be at the Chaseburg Legion Hall by 6pm.
