

The printer has assured me that the history books are supposed to be available for sale at our March 18, 2021 post meeting. Your cost is a total of \$40.00 for a complete set of Volume One and Volume Two. The Coon Valley SAL is paying for the printing of the first 100 sets of these books. Post 116 has voted that all net proceeds from the sale of these books will be applied toward debt reduction of our flood relief loan at the bank. Please support your post by purchasing our history. If you are unable to make the meeting, contact me and I will get you your history books.
